In the Matter of:

Richard W. Possett, Sr., d/b/a The Navigator Group,

Pro se Respondent ODS File No. 11-076

PRO SE RESONDENT'S, RICHARD W. POSSETT, SR., MOTION FOR CONTINUANCE

TO: Mr. Irving L. Faught, Administrator
Oklahoma Department of Securities
120 North Robinson Ave, Suite 860
Oklahoma City, OK 73102
ATTENTION: Ms. Brenda London

This Motion for Continuance is brought by Richard W. Possett, Sr., Respondent, who shows in support:

1. An Agreed Order Setting Hearing ("Hearing Order") in this matter was filed on June 18, 2012 setting the Hearing for November 6, 2012. ODOS was gracious enough to agree to the Hearing date so as to allow Pro se Respondent sufficient time to properly prepare for the Hearing.
2. On June 25th, June 30th, and July 8th, 2012, Respondent requested a Scheduling Order to be developed and published of ODOS **[Exhibit A]**.

3. On July 9, 2012, ODOS proposed, in lieu of a scheduling order, an Agreement and Order that would resolve this matter [**Exhibit A**].
4. On August 3, 2012, ODOS offered an Agreement and Order that was declined by Respondent, after due consideration, on August 13, 2012 [**Exhibit B**].
5. An Agreed Scheduling Order was filed on August 20, 2012, sixty (60) days after the Hearing Order was filed.
6. On August 13, 2012, Respondent requested ODOS to issuance a Subpoena Duces Tecum to Complainant ("Subpoena"). After objections, answers, and order the Subpoena has yet to be issued [**Exhibit C**].
7. Respondent needs a continuance:

    a. To receive, review, and respond to production materials related to the requested but unissued Subpoena.
    b. To order and issue a subpoena to Complainant to appear and testify in an oral deposition.
    c. To plan and script the deposition questions and inquiries.
    d. To receive, review, and respond to testimony at deposition from Complainant.
    e. To research, plan, publish, and file Dispositive motions.
    f. To complete and answer discovery matters.
    g. To prepare and exchange documents and exhibits.
    h. To research, plan, publish, and file Motions in limine.
    i. To prepare any prehearing brief.

8. Respondent would kindly ask that the Administrator stay cognizant of the fact the Respondent is Pro se for personal financial reasons and that there was an unplanned delay in the proceedings of sixty (60) days at the onset. Respondent would respectfully propose the following Amended Scheduling Order.

Matter	Order Date	Proposed
Dispositive motions	10/01/12	12/01/12
Discovery completed/answered	10/05/12	12/05/12
Final witness list	10/05/12	12/05/12
Document and exhibit exchange	10/12/12	12/12/12
Motions in limine	10/23/12	12/23/12
Prehearing briefs and findings	10/26/12	12/26/12
Prehearing conference	10/30/12	12/30/12
Hearing date	11/06/12	01/06/13

9. Respondent kindly asks for a sixty (60) day continuance. This continuance is not sought solely for delay but that justice may be done.
10. Respondent Possett prays that the Administrator grant the Motion for Continuance.

Dated this 26th day of September, 2012

Respectfully Submitted,

Mr. Possett:

The information you need is outlined in the Rules of the Oklahoma Securities Commission and the Administrator of the Department of Securities. I believe the Department has previously sent you a copy.

Rather than a proposed scheduling order, I have drafted a proposed Agreement and Order that would resolve this matter. I cannot sent the proposed Agreement and Order to you without the appropriate internal approval. If and/or when I receive that approval, I will send you the drafts for consideration.

Ms. Bonnell:

About ten (10) days ago we talked about a Scheduling Order. The clock is ticking and time seems to be of the essence and I therefore, I kindly ask your guidance on this subject matter. Due to the fact that the Complainant is a non-party, I do need subpoena's to compel her to produce relevant documents, writings, and communications. Furthermore, I will need a subpoena for her deposition. Lastly, I will need her subpoenaed as a witness at the Hearing. Also, because ODOS is a party to the action, I need to know the individual who I submit my requests for discovery through admission, interrogatory, production, and deposition. Will there be a requirement to submit a brief? Will we set a date to exchange witness and exhibit lists? What about a pre-hearing conference and discovery timeline? Thank you kindly for your help and support in this matter.
