DEFENDANT

Date: Jan 31, 11

Case No. CF 10-71

FILED
WANDA PEARCE

ORDER

THRU
Court Clerk of Marshall County
Deputy

Matter was erroneously heard by undersigned without assignment

Accordingly, hearing was without jurisdiction. Without jurisdiction

the hearing and order are voided. Without assignment I was never there.

Even so, I recuse from hearing further as evidence has been presented

and a decision made and as hearing and decision were void and without

jurisdiction seems fair the defendant should get "overs" all the way

with a new hearing, new judge, real jurisdiction, etc.

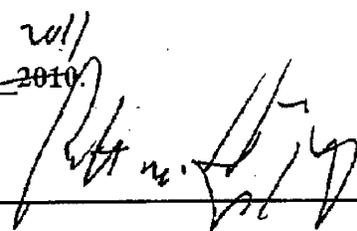

Accordingly, the undersigned recuses from the matter he was

never assigned to in the first instance.
